Here's how the Audubon Society's new Nature Hobby works. Each month a different "expedition" is planned, and a set of about 30 full-color prints is issued, together with a "3000-word picture lexicon" in which to mount them. Guided by wise, companionable experts, you explore nature's closely-guarded secrets...learn the strange, almost unbelievable ways some animals raise their young...collect your own "mountain at home" of alpine albatrosses, exotic butterflies, beautifully-colored fish of the deep sea and animal oddities. Best of all, your naturalist guides open your eyes to the wonders you can discover right in your own backyard or nearby park.

Once you get acquainted with the Society's program, we feel sure you'll want to continue these monthly "adventures" for a while. Your whole family will look forward to each new Nature Program set, and take pleasure in enjoying it together. And the total cost is so very low: only \$1.00 for each album and series of pictures—plus a few cents shipping. And you assume no obligation when you send in a dime for your introductory package. You may discontinue your participation at any time. However, we urge you to send for your 10¢ sample package now, as quantities are limited. Mail the coupon today to: The Audubon Nature Program, Dept. 9-C-C-Q, Garden City, N.Y.

HERE'S WHAT YOU GET—FOR ONLY A DIME!
30 FULL-COLOR PRINTS, showing "close-ups" of these delightful, interesting Animal Children in native surroundings.

HANDSOME ALBUM in which to mount them, with fact-filled 7500-word "guide" by expert naturalist.

IN ADDITION, if you continue, you receive **FREE** a pull-drawer case to store and protect your albums.

EXTRA FREE GIFT if you send coupon now
